

Volunteer Opportunities!!!

Interested in volunteering to help your NFSS?

NFSS has no paid staff, and we can always use the skills and efforts of our members to accomplish the goals of the Society.

If you have some time to give for anything from stuffing envelopes to computer programming, we want to hear from you!

Please contact NFSS Volunteer Program coordinator Tom Keegan at 617-653-0664 (Eastern daytime only please) or thomkeegan@aol.com for more information.

Why not find out how you can pitch in today?!
